

International Conference on Advances in Computing, Communications and Informatics (ICACCI-2012)

3 - 5 August 2012, Chennai, India

CALL FOR PAPERS

Dear Colleagues,

Globalization tends to be most perceptible and observable in almost every facet of life mainly due to the emergence of new digital technologies of computing and communications. At the same time, informatics with its strong focus on the human use of computing plays more and more serious role in people's lives and permeates all its aspects.

The scope of 2012 International Conference on Advances in Computing, Communications and Informatics (ICACCI-2012) is to provide an international forum for exchange of ideas among interested researchers, students, developers, and practitioners in the areas of computing, communications, and informatics. The technical program of the Conference will include tutorials, regular technical sessions, workshops, special sessions, demos and plenary/keynote speeches. **The Conference Proceedings will be published by ACM and all the accepted papers of main track as well as workshops will be archived in the ACM digital library.** Also, all the papers of the proceedings will be submitted to major database indexers for indexing. The conference will be held in Chennai (Madras) capital city of Tamil Nadu State, in Southern India.

ICACCI-2012 invites original and unpublished work from individuals active in the broad theme of the conference. Papers must be formatted according to **ACM guidelines and style files** to fit within 10 pages, including references, diagrams, and appendices if any. A submitted paper must be self-contained and in English. The paper should not contain page numbers or any special headers or footers. Authors should submit their papers online. We use EDAS system (<http://edas.info/newPaper.php?c=11645>) for submission of papers and review process. Unregistered authors should first create an account on EDAS to log on. The manuscripts should be submitted in PDF format.

We welcome submissions for ICACCI's Technical Program in the following main themes:

- ☒ Advanced Computing
- ☒ Communications
- ☒ Informatics

Key Dates

Abstract Submission Ends
20 January 2012
Full paper submission
10 February 2012
Acceptance Notification
5 April 2012
Final paper Deadline
10 May 2012
Registration Starts
10 April 2012
Conference 3 – 5 August 2012

Authors of selected outstanding papers will be invited to submit extended versions of their papers for consideration of publication in the following Journal(s):

International Journal of Networking and Virtual Organisations (IJNVO)
International Journal of Medical Engineering and Informatics (IJMEI)
International Journal of Data Analysis Techniques and Strategies (IJDATS)
International Journal of Trust Management in Computing and Communications (IJTMCC)
International Journal of Advancements in Computing Technology (IJACT) - EI indexed

Best Paper Awards

As evaluated by TPC Chairs and TPC Members, THREE papers will be given Best Paper Award for ICACCI-2012 viz 1st, 2nd and 3rd respectively. The above committee will expect the presentation of the selected best papers during the conference before finalizing the list. The winners will be declared during the conference.

Sabu M. Thampi, General Co-Chair

International Conference on Advances in Computing, Communications and Informatics (ICACCI-2012)

3 - 5 August 2012, Chennai, India

CALL FOR PAPERS

Workshops and Special Sessions (<http://www.icacchi-conference.org/wt.html>)

Third International Workshop on Trust Management in P2P Systems (IWTMP2PS 2012)
Second International Workshop on Multimedia Streaming (MultiStreams 2012)
International Workshop on Service-Oriented Architecture and Cloud Computing (SOAC 2012)
International Workshop on Advances in Pervasive Computing (APC-2012)
International Workshop on Recent Advances in Medical Informatics (RAMI 2012)
International Workshop on Social Networks and e-Services (SNeS 2012)
International Workshop on Pattern Recognition and Image Processing (PRIP 2012)
International Workshop on Advances in Data Management (ADM-2012)
Special Session on "On-Chip Communication Networks"
Special Session on "Network Forensics"
Special Session on "Underwater Sensor Networks"

Steering Committee

Bharat Bhargava, Purdue University, USA
John Xiupu Zhang, Concordia University, Canada
Junichi Suzuki, University of Massachusetts, Boston, USA
John Strassner, DENSoft, USA
Xavier Fernando (Chair, IEEE Communications Society -Toronto Chapter), Ryerson University, Canada
Ajith Abraham, Machine Intelligence Research Labs, USA
Jiankun Hu, University of New South Wales, Australia
John F. Buford, Avaya Labs Research, USA
Jaime Lloret Mauri, Polytechnic University of Valencia, Spain
T.Thyagarajan (Chair, IEEE Madras Section), MIT CAMPUS, Anna University, India
Bogdan Smolka, Silesian University of Technology, Poland
Eiji Oki, University of Electro-Communications, Japan
Kexin Li, State University of New York at New Paltz, USA
Neeli R. Prasad, Aalborg University, Denmark
Carlos Becker Westphall, Federal University of Santa Catarina, Brazil
K. Chandra Sekaran, NITK, India
Maode Ma, Nanyang Technological University, Singapore
Narayan C. Debnath, Winona State University, Minnesota, USA
Ian Wells, Swansea Metropolitan University, UK
Stefan Fischer, University of Luebeck, Germany
Siani Pearson, HP Labs, UK
Hans-Juergen Zepernick, Blekinge Institute of Technology, Sweden
Suash Deb, International Neural Network Society (INNS), India Chapter

Honorary Chairs

Ian Foster (Father of Grid Computing), University of Chicago
Rajkumar Buyya, Professor of Computer Science, University of Melbourne, Australia

Program Committee Chairs

General Chairs: Yunxin (Jeff) Li, Control and Signal Processing Research Group, NICTA, Australia
K. Gopalan, Department of Electrical and Computer Engineering, Purdue University Calumet, USA
Sabu M. Thampi, Indian Institute of Information Technology and Management - Kerala, India
Program Chairs: Pascal Lorenz, University of Haute Alsace, France
El-Sayed El-Alfy, King Fahd University of Petroleum and Minerals, Saudi Arabia
Workshop/Special Session Chair: Gregorio Martinez Perez, University of Murcia, Spain
Tutorial Chairs: Sunil Kumar Kopparapu, Tata Consultancy Services, India and Di Jin, General Motors, USA
