

International Conference on Advances in Computing, Communications and Informatics

Call for Papers

ICACCI-2012 invites original and unpublished work from individuals active in the broad theme of the conference. Papers must be formatted according to ACM guidelines and style files to fit within 10 pages, including references, diagrams, and appendices if any. A submitted paper must be self-contained and in English. The paper should not contain page numbers or any special headers or footers.

Authors of selected outstanding papers will be invited to submit extended versions of their papers for consideration of publication in the following Journal(s):

International Journal of Computational Science and Engineering (IJCSE)
ISSN (Online): 1742-7193 - ISSN (Print): 1742-7185
Inder Science Publishers, Switzerland. Indexed in EI Compendex.

International Conference on Advances in Computing, Communications and Informatics (ICACCI-2012)

3-5 August 2012, Chennai, India

Dear Colleagues,

Globalization tends to be most perceptible and observable in almost every facet of life mainly due to the emergence of new digital technologies of computing and communications. At the same time, informatics with its strong focus on the human use of computing plays more and more serious role in people's lives and permeates all its aspects.

The scope of 2012 International Conference on Advances in Computing, Communications and Informatics (ICACCI-2012) is to provide an international forum for exchange of ideas among interested researchers, students, developers, and practitioners in the areas of computing, communications, and informatics. The technical program of the Conference will include tutorials, regular technical sessions, workshops, special sessions, demos and plenary/keynote speeches. The Conference Proceedings will be published by ACM (DBLP indexed) and all the accepted papers of main track as well as workshops will be archived in the ACM digital library. Also, all the papers of the proceedings will be submitted to major database indexers for indexing.

The conference will be held at RMK Engineering College, Chennai (Madras), India. ICACCI-2012 is organized in association with Offenburg University of Applied Sciences, Germany; Computer Society of India (CSI), The International Society for Computers and Their Applications, Inc. (ISCA), USA; International Neural Network Society (INNS), India Chapter; Indian Association for Medical Informatics (IAMI) etc...

Dr. Sabu M. Thampi (General Co-Chair - ICACCI2012)
